## EXPERIENCE

---

### Marketing - Creative Department

Bowercomm – Full time

Hutchinson, KS

August 2022 - Present

- Received greater responsibility for clients.
- Obtained a close, trustworthy relationship with my coworkers, which resulted in the opportunity to work remote while going to school at Kansas State University.
- Enhanced time management skills due to increased workload from college and work.

### Marketing Internship

Bowercomm – Full time

Hutchinson, KS

June 2022 – August 2022

- Experienced working and communicating directly with clients.
- Executed brand development for clients, where I designed logos, assets, and came up with brand standards.
- Designed and developed emails for clients using HTML and CSS.
- Recorded, and edited commercials for big companies.
- Worked on code for complex business websites.

### Freelance Creator

Personal Work

January 2020 – Present

- Wedding video production.
- Senior photography for graduating students.
- Graphic design work for clients.

## LEADERSHIP & INVOLVEMENT

---

### Kansas State University Club - SigWeb

Vice President

Manhattan, KS

January 2023 - Present

- Branch of ACM Computer Science Club that focuses primarily on web development.
- Working on growing, and expanding the club to get more people involved.
- Club responsibilities involve programming and maintaining the university's websites.

### Hutchinson Community College

Graphic Designer

Hutchinson, KS

August 2022 – December 2022

- Created graphics for the football team's social media pages.
